BRIEFLY DESCRIBE YOUR SPECIFIC RESEARCH PROJECT IN THE CONTEXT OF THE VALIE EXPORT CENTER.

The agreement allows access to material from the Research Center in the context of the research project. For this purpose, we will provide digital files with watermarks for viewing. In the course of reviewing the material, working copies specially marked as such may be made after consultation at the VALIE EXPORT Center Linz, which after use must be destroyed completely and permanently.

It is not permitted to publish the material or pass it on to third parties. For use in any publication, permission must be obtained in advance from the Center. An exception for any disclosure of data to third parties requires a separate agreement with the Center in advance.

In the event of an exception, the undersigned must ensure that third parties handle the material provided responsibly in accordance with the terms of use of the VALIE EXPORT Center Linz and oblige them to comply with the terms of use. Any other use is prohibited.

Neither the undersigned nor third parties are entitled to permanently store, copy, pass on to noninvolved third parties and publish the materials.

In case it is planned to use image material for lectures, publications or similar releases of materials, further consultation with the VALIE EXPORT Center Linz is required in order to clarify rights.

Not all rights are held by the Center. In each case, the copyright claims of third parties as well as the personal rights of third parties have to be taken into account. Where applicable, the permission of the rights holder must be obtained by the user. In this respect the VALIE EXPORT Center Linz is to be held harmless and indemnified.

Upon approval, the material will be made available in the best possible quality and without watermarks. The material provided must be clearly marked as part of the VALIE EXPORT Center Linz each time it is used.

We kindly request the user to provide the VALIE EXPORT Center Linz with a complimentary copy.

The undersigned guarantees to take all necessary precautions to prevent misuse of the archive material and to ensure data security in accordance with the usual state of the art.
